### Camping Rates

Rates for state park campsites are subject to change. You can get up-to-date information by calling 1-800-551-6949 or visiting [oregonstateparks.org](http://oregonstateparks.org).

### Yurts and Cabins

Enjoy the year-round comforts of a cozy cabin or a yurt—a domed tent with structural support. All facilities have wooden floors, a lockable door, lights, wall heater, ceiling fan, table and chairs, porch bench, and an outdoor fire ring and picnic table. Water, restrooms and parking are nearby. Sleeping amenities include a bunk bed with vinyl-covered mattress that sleeps three and a futon with vinyl mattress that sleeps two.

Up to two pets (dogs and/or cats only) are allowed in the pet-friendly facilities for an additional nightly fee.

### A Fun Place to Discover

Champoeg's rich cultural heritage and natural resources come alive thanks to a variety of special events, ranger-led tours and living history displays. The park also offers Junior Ranger and evening campfire programs in the summer.

### Watch for Wildlife

Wildlife abounds in the park. More than 130 bird species have been identified here. Western Bluebirds are among the most notable year-round residents. Look for these rare songbirds and their nest boxes along the Townsite hiking trail and the park's bicycle trail. Ask for a Champoeg bird checklist at the visitor center.

### Champoeg's Long History

**Prior to 1840:** The Champoeg prairie was home to Kalapuya Indians, who used the area for hunting, fishing, and gathering camas bulbs. Fur trappers first visited Champooick, as the area was known, in 1811. The Willamette Post was established in 1813 to serve the trappers.

**The Seeds of Government:** In 1841, area settlers began holding "wolf meetings" to discuss problems with predators. Eventually, the meetings turned to larger issues, and on May 2, 1843, the settlers voted 52 to 50 to establish a new provisional government for the area.

**Transportation Hub:** Although the provisional government moved to Oregon City in 1844, Champoeg's location on the river made it a regular stop for stagecoaches and steam boats. By the end of the 1850s, the town had grown to 60 buildings and a population of 200. In 1861, a flood washed away most of the wooden buildings, and the townsite was abandoned. Champoeg remained an important transportation link until another disastrous flood led to its total abandonment in 1892.

### Preserving the Past

**Champoeg Visitor Center:** Exhibits bring to life the ways of the Kalapuya, fur trappers, explorers, and settlers who lived in this area. Call 503-678-1251 ext. 221 for center hours and program information. The center also includes a museum store.

**Pioneer Memorial Building Pavilion and Monument:** The restored plaza area commemorates the 1843 vote.

**Manson Barn and Farmstead:** Erected in 1862, the barn is an original Champoeg building salvaged after the 1861 flood.

**Newell Pioneer Village:** Tour the Robert Newell House Museum to see the reconstructed 1843 home of this central figure in Oregon statehood. Also on site: Pioneer Mothers Memorial Cabin, Butteville School and Butteville Jail. Check [newellpioneervillage.com](http://newellpioneervillage.com) for living history and reenactment events. Call 503-678-5537.

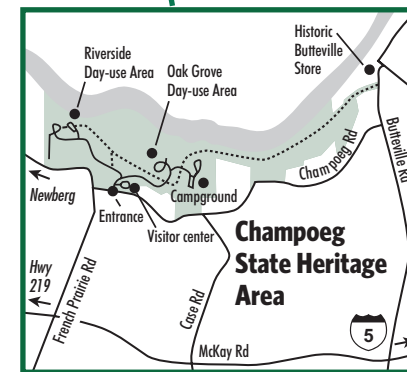

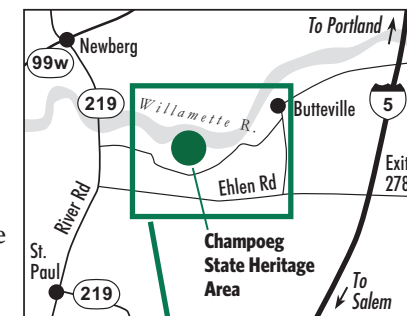

### Plan a Picnic

The park has three spacious day use areas that offer reservable group picnic areas and individual sites. The Riverside Day-use Area offers four group picnic areas plus the Pioneer Historical Building and Pavilion. Nearby is the Townsite Day-use Area with a group picnic site amidst a grove of large Douglas fir trees. The Oak Grove Day-use Area has six group picnic areas along with a disc golf course and a boating/fishing dock. All three areas are open year-round from 7a.m. to sunset.

**Day-use parking permits** are required in the park year-round. You will need to display either a daily permit, a 12- or 24-month permit, or your camping receipt, valid for the days you are registered. Daily and annual permits are sold at [store.oregonstateparks.org](http://store.oregonstateparks.org).

### Hike or Ride

A four-mile bicycle trail begins in the Riverside Day-use Area, winds through meadows and along the river bank, and ends at the park's Historic Butteville Store (open seasonally). A one-mile hiking trail passes the park's historic townsite.

Smoking in Oregon State Parks is allowed only in personal vehicles, RVs, campsites and portions of day use parks along state highways that are designated as safety rest areas by the Oregon Department of Transportation.
