Day-use Amenities and Fees

From the Hilltop Day-use Area, you can enjoy the grand westward view or set off to explore the trail system. A picnic shelter (first-come, first-served unless reserved) is available for group functions; call 1-800-551-6949 for fee. Just to the east of the day-use area among the trees is an 18-hole mountain-style disc golf course; there is a three-hole course between East and West Dairy Creek Camps as well.

Day-use parking permits are required in the park all year. You can buy a daily permit at the day-use area registration station, or purchase annual and 24-month passes at the Welcome Center registration window, Discovery Depot, park office and online at store.oregonstateparks.org. Your camping receipt serves as a daily permit for the days that you are registered.

Wooded Trails

With more than 30 miles of multi-use trails, Stub Stewart is a premier destination for hikers, bicyclists, and horseback riders. Many of the trails have names recalling the area's logging history. Some connect with the 21-mile Banks-Vernonia State Trail, which bisects Stub Stewart for nearly 4 miles on a north-south route. Other trails are specially designated for mountain bikers and disc golfers to enjoy. For more information, see the park trails map.
